have seen him and she knows the extent of his powers. What I do not get is that he actually saw her leave England as seen in episodes 1x07 and 8x04, but how can the Watcher reveal something he himself is unaware of. A: He told her that he would have seen her leave England. So he did see her. He just couldn't remember. From When The Watcher Left His Log: Following the Watcher's disappearance, a family of two learns that they are interlopers in a deadly game, playing for the soul of their Earth-born daughter.
